**The Instinct of Workmanship** (N265) A full historical and psychological account of humanity's disposition toward craftsmanship from neolithic times to the Industrial Revolution and the beginnings of modern technology. \$1.95

**WALTER, W. GREY**

**The Living Brain** (N153) How electroencephalography probes the mental mysteries of genius, memory, crime, sleep, sex and fatigue. \$1.75

**WERNICK, ROBERT**

**They've Got Your Number** (N247) A humorous but thoroughly factual presentation of the modern science of psychometry, or psychological testing, and what it purports to accomplish. Illustrated by J. Leone. \$1.25

**WHEELIS, ALLEN**

**The Quest for Identity** (69698) An analysis of the changing character of man in America today and the relevance of psycho-

**SIGMUND FREUD in the new  
JAMES STRACHEY Standard Edition**

**An Autobiographical Study** (N146) In this personal record, Freud gives an account of the beginnings and development of the psychoanalytic movement. \$1.25

**Civilization and Its Discontents** (69623) In this book, Freud makes known his views on the broad question of man's place in the world, which he sees in terms of the never-ending conflict between the claim of the individual to freedom and the demands of society. \$1.95

**On Dreams** (N144) A summary restatement of Freud's theory of the nature and mechanisms of dreams. \$.95

**The Ego and the Id** (N142) This last of Freud's major works—a revolutionary description of the mind and its workings—has left its imprint on all subsequent psychoanalytical writing. \$.95

**Jokes and Their Relation to the Unconscious** (N145) Freud's major contribution to the subject of aesthetics—a study of the unconscious sources of pleasure in jokes, wit and humor. \$1.45

**Leonardo da Vinci and a Memory of His Childhood** (N149) Freud's only full-scale application of the methods of clinical psychoanalysis to the life of an historical figure. \$1.25

**New Introductory Lectures on Psychoanalysis** (69651) A milestone in Freud's later work, summarizing and introducing new material on dreams, the psychic structure of the mind, anxiety and the instincts, and female psychology. \$1.95

**An Outline of Psychoanalysis** (N147) In Freud's words, "The aim of this brief work is to bring together the doctrines of psychoanalysis and to state them . . . in the most concise form and in the most positive terms." \$1.25

**The Problem of Anxiety** (N148) One of Freud's major works in which he deals at length and exclusively with the fundamental problem of psychopathology, neurotic anxiety. \$1.25

**The Psychopathology of Everyday Life** (69663) The final revision of Freud's study of forgetting, slips of the tongue, bungled actions, and other parapraxes, which enabled him to extend to normal mental life the discoveries he had made in connection with neuroses. \$2.45

**Totem and Taboo** (N143) The findings of psychoanalysis applied to some unsolved problems of anthropology and folklore. \$1.25

**ABRAHAM, KARL**

**On Character and Libido Development: Six Essays** (Edited and with a new introduction by Bertram D. Lewin) (N316) "The six chapters for this book are widely studied, the third one in particular is an undisputed psychoanalytic classic."—from the introduction. \$1.65

**ALEXANDER, FRANZ**

**Fundamentals of Psychoanalysis** (With a new introduction by the author) (N206) A comprehensive survey of the basic concepts of psychoanalysis and their application to the understanding and treatment of mental disturbance. \$1.55

**ALEXANDER, FRANZ**

**Psychosomatic Medicine** (With a chapter on "The Functions of the Sexual Apparatus and Their Disturbances" by Therese Benedek) (N300) "A landmark in the integration of psychoanalysis with the other basic medical sciences."—Leon J. Saul, *Psychoanalytic Quarterly* \$1.65

**BOAS, FRANZ**

**Anthropology and Modern Life** (Introduction by Ruth Bunzel) (N108) Discussions of the relation between race and culture; nationalism; interracial problems; and the comparison of primitive culture with modern civilization. \$1.85

**BRILL, A. A.**

**Freud's Contribution to Psychiatry** (N141) An evaluation by a leading American disciple. \$1.45

**CANNON, WALTER B.**

**The Wisdom of the Body** (N205) A pioneering study in physiological psychology that describes how the human body reacts to disturbance and danger and maintains the stability essential to life. \$1.95

**DOWD, DOUGLAS and MARY NICHOLS (Editors)**

**Step by Step** (N317) An instructive report on a civil rights project in Fayette County, Tennessee—its financing and development at Cornell and the carrying out of its aims—by members of the Project. Photographs \$1.45

**ERIKSON, ERIK H.**

**Childhood and Society** (Revised 1963) (69622) A now-classic work on the social significance of childhood. "... more than any other book I know of, intelligently and often brilliantly integrates the findings of biology, psychology and anthropology on that very important period of life—childhood."—Hortense Powdermaker, *Queens College*. \$2.95

**ERIKSON, ERIK H.**

**Insight and Responsibility** (69451) A discussion of the ethical implications of psychoanalytic insight and the responsibilities that each generation of men has for succeeding generations. \$1.95

**ERIKSON, ERIK H.**

**Young Man Luther: A Study in Psychoanalysis and History** (N170) An analysis of key personal crises in the life of Luther as adolescent and young man. \$1.75

**GORER, GEOFFREY**

**Africa Dances** (With a new introduction by Mr. Gorer) (N173) A noted anthropologist describes at first hand some of the people and cultures of West Africa under Western colonial rule. \$1.85

**GORER, GEOFFREY**

**The American People** (Revised 1964) (N262) "A fluent and arresting description of American character."—Margaret Mead \$1.65

**GORER, GEOFFREY**

**The Life and Ideas of the Marquis de Sade** (N226) Informed discussions of Sade's literary work, philosophy, views on sex and psychology, politics; and a narrative of the strange events in his life. \$1.35

**GORER, GEOFFREY and JOHN RICKMAN**

**The People of Great Russia: A Psychological Study** (With a new introduction by Mr. Gorer) (N112) An eminent cultural anthropologist and a psychiatrist together evaluate the character and behavior of the Russian people. \$1.65

**HERSKOVITS, MELVILLE J.**

**Economic Anthropology** (N309) Explores the economic functions of nonliterate societies and establishes a new unity between the disciplines of the anthropologist and the economist. \$2.95

**HINSIE, LELAND E.**

**The Person in the Body: An Introduction to Psychosomatic Medicine** (N172) An outstanding figure in the field discusses mental stress and its influence on the functions of the body. \$1.45

**HOBSBAWM, E. J.**

**Primitive Rebels** (N328) Studies in archaic forms of social movement in the 19th and 20th centuries that fall outside the classic patterns of labor or socialist agitation. \$1.75

**HORNEY, KAREN (Editor)**

**Are You Considering Psychoanalysis?** (N131) Covers major phases and problems of psychoanalysis in a text prepared by members of the Association for the Advancement of Psychoanalysis. \$1.65

**HORNEY, KAREN**

**The Neurotic Personality of Our Time** (69480) A pioneering work which holds that actual neurotic difficulties are generated not only by incidental individual experiences, but also by the specific cultural conditions under which we live. \$1.95

**HORNEY, KAREN**

**New Ways in Psychoanalysis** (N132) The ground-breaking re-evaluation of psychoanalytic theory and practice for our times, distilled from Dr. Horney's wide experience in the field. \$1.55

**HUFF, DARRELL and IRVING GEIS**

**How to Take a Chance** (N263) A highly diverting study of probability theory by the author and illustrator of *How to Lie with Statistics*. \$1.25

**HUNTINGTON, ELLSWORTH**

**The Human Habitat** (N222) A classic study in human geography, covering the immense variety of possible relationships between man and nature and drawing some highly significant conclusions about the optimum conditions for civilization. \$1.65

**JAMES, WILLIAM**

**Talks to Teachers on Psychology; And to Students on Some of Life's Ideals** (Introduction by Paul Woodring) (N165) James on the acquisition of ideas, attention, interest, the child as a behaving organism and related subjects. \$1.25

**KARTINI, RADEN ADJENG**

**Letters of a Javanese Princess** (Edited and with an introduction by Hildred Geertz) (N207) The moving story of a young noblewoman's struggle to rise above the restricting traditions of her ancient culture and help her people to realize their national aspirations through education. \$1.95

**KASANIN, J. S. (Editor)**

**Language and Thought in Schizophrenia** (Preface by Nolan D. C. Lewis) (N252) Eight eminent psychiatrists describe and analyze the various manifestations of thought and language disorders in schizophrenia. \$1.45

**EXAMINATION COPIES.** Since the Norton paperbacks are planned to meet the needs of the scholar and the college student, it is our policy to make complimentary copies readily available to instructors to be considered for use in their courses.
